FOR IMMEDIATE RELEASE

August 8, 2017

**COLUMBIA ROAD OVER GRAND RIVER
BRIDGE REPLACEMENT
TO BEGIN NEXT WEEK**

Ingham County Road Department announces that its project to replace the aging bridge carrying Columbia Road over the Grand River between north and south Waverly Roads near the Eaton-Ingham County border will begin on Monday, August 14, at which time Columbia Road will be closed at this bridge. A detour route will be posted and various alternative local road routes are also available.

Columbia Road is expected to be re-opened to traffic on the new bridge in early December, 2017.

The proposed work includes replacing the bridge with a single span through-truss bridge.

Access will be maintained to all destinations on either side of the bridge from the given side throughout construction.

For more information contact the Road Department at 517-676-9722.
