FOR IMMEDIATE RELEASE

December 20, 2017

**COLUMBIA ROAD OVER GRAND RIVER
BRIDGE NOW REOPENED**

Ingham County Road Department announces that its project to replace the bridge carrying Columbia Road over the Grand River between north and south Waverly Roads near the Eaton-Ingham County border in Aurelius Township has been substantially completed and the new single span, through-truss bridge has been opened to traffic.

When weather permits in the spring of 2018, the remaining project work will be completed, which includes a final layer of asphalt paving on the road approaches to the new bridge, painting of the structure connection points, striping of the bridge deck, and other miscellaneous items.

The spring 2018 work will require a week-long road closure with traffic detoured for the painting and asphalt paving. Other work may require single lane closures with flaggers controlling traffic over the bridge.

For more information contact the Road Department at 517-676-9722.
